

# Accountability Information and Procedures - CGPAAS

The Coast Guard uses multiple personnel accountability and notification methods to notify personnel and family members of a severe weather event.

In the event of severe weather, Special Missions Training Center will send a warning message through the Alert Warning System (AWS) to all personnel affected by severe weather.

Personnel affected by severe weather can also call the Marine Corps Base Camp Lejeune Information System (910) 451-1717 for the most up to date Weather Advisory and Hurricane Information, or the Special Missions Training Center Training Support Cell at (910) 440-6678.

In order to properly account for affected personnel, the Coast Guard may issue an "Order to Report" following any natural disaster or event in your area. When necessary, all personnel, including dependents, will be notified by the Coast Guard Personnel Accountability and Assessment System (CGPAAS). This Order to Report may be received in the form of a text message, email, or text to voice. Coast Guard Employees will be prompted to report their and their dependents status by responding with one of the available options. Coast Guard personnel, dependents, and civilians employees can login at <https://cgpaas.uscg.mil> to update contact information and report their status. In the event you are unable to gain access to the internet/CGPAAS, you may report your status directly to the Training Support Center (TSC) staff at (910) 650-2369. Save this phone number to your phones and bookmark our interest site to find the most up-to-date information [http://www.uscg.mil/smtc/Info\\_Hurricane.asp](http://www.uscg.mil/smtc/Info_Hurricane.asp).

Those who do not possess a Common Access Card (CAC) or Coast Guard standard workstation may login using their Coast Guard sponsor's Social Security Number (SSN), date of birth, and last name.

## Coast Guard Personnel Accountability and Assessment System

<https://cgpaas.uscg.mil>

The screenshot shows the CGPAAS website interface. At the top, the URL <https://cgpaas.uscg.mil/cas/login?service=https%3A...> is visible in the browser address bar. The page features the CGPAAS logo and the title "Coast Guard Personnel Accountability & Assessment System". Below the header, there are two main login sections. The first section, "CGPAAS Login Page", is for "Coast Guard Military, Civilians, and Active Duty Dependents" and includes a "Click Here" button. The second section, "CGPAAS CORs and Administrators", is for "CGPAAS CORs and Administrators" (must have been granted access by command) and also includes a "Click Here" button. A note below this section states "(CAC Required for Access)". To the right of these sections is a box titled "What is CGPAAS?" which explains the system's purpose and lists the following capabilities: "Report Accounting Status", "Update Contact/Location Information", and "View Reference Information". At the bottom of the page, there is a "Login Problems" section with a link to "click here" to send an email for assistance, and a footer with "Contact CGPAAS Support", "This is an Official U.S. Coast Guard Web Site", and a "Privacy & Security Notice" link.
